Steve, Danielle, Patrick & Molly

Monterey County District 4 Friends -

My husband Steve McShane is running for Monterey County Supervisor and what a ride it has been!

If you've met Steve, you know about his boundless energy and enthusiasm. What most people don't see is his introspection, examination and compassion. I've watched Steve step up in crisis, study the situation, take notes, reflect and productively move forward.

Our daughter didn't have an easy start. Molly had a stroke at birth and was in the NICU for nearly a month at UCSF. I was paralyzed, hopeless and unsure of the outcome. Through love, support and compassion, Steve helped me **feel, but also focus** on what we could do, how we could face the challenges, how we would come through this stronger and how it would be a story of joy. I needed his hope and strength.

Steve studied, spent time with doctors, took notes, reported back to me, reassured me, and found every available resource whether through the hospital or through others. I share this because this is what he's done for our family, **but I watch him do this for our community daily.**

Steve is excellent at bringing people together to find a solution. He also does his homework, researches, and puts in all the hard work. He is studied, thoughtful and yes, has the energy to navigate the endless steps it will take to help our County recover through this unprecedented health and economic challenge associated with COVID-19.

Our County needs some healing, but we need to focus. Focus on what can be done and what needs to be done to recover. I've seen firsthand and know, ***Steve will lead our County through this crisis and every challenge that will come in the future.***

Please join me in voting for my husband, Steve McShane, for Monterey County Supervisor District 4!

Sincerely,
